

## Oshawa West Lions Club

Dear Sir/Madam

The Oshawa West Lions Club will be hosting the 13<sup>th</sup> annual “Steve Hackett Memorial Dogs for Autism” golf tournament at Golfers Dream Golf Course on Tuesday, July 29, 2025.

Autism is the fastest growing developmental disability in the country and is estimated to affect more than 1 in 165 people.

Helping children 4 to 12 years of age, Autism Assistance Dog Guides provide calming relief for children in high anxiety situations and reduce the stress commonly experienced in public places. Bonding with the Dog Guide helps both the child and their family gain increased independence and social interaction.

The Oshawa West Lions are committed to contributing to the cause of providing Dog Guides at no cost to families of children with Autism. Supporting the Autism Assistance Dog Guide program will assist the Lions Foundation to reach out to young children and in turn help younger Canadians benefit from the safety and independence a Dog Guide brings.

How may you and your company help? We are seeking support in providing prizes or gifts as well as corporate sponsorships. Enclosed is a description of sponsorship opportunities for your consideration. Perhaps your foursome or two could join us for an afternoon of fun and golf.

Our goal is to help keep Steve’s dream of helping autistic children alive in our community. You can help by registering a team for \$500.00 which includes golf, cart and a roast beef dinner.

To register your foursome or learn more about how you can help us, please contact Lynn Dixon at 905-579-4376.

Sincerely,

Ian McCutcheon  
Tournament Director
